Correct Answer: **Number 2!**

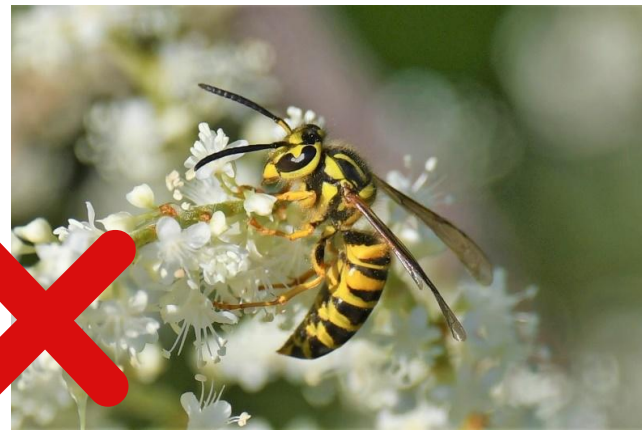

Bumblebees are **plump** and **furry**.

*They look like flying teddy bears!  
These insects are gentle and **will not**  
sting unless provoked.*

**Number 3: Honeybee**

*Honeybees are smaller,  
thinner, and not as hairy  
as bumblebees.*

**Number 1: Yellowjacket Wasp**

*Yellowjackets are brighter  
yellow than honeybees and  
have no hair.*
